About

Background

Newthings Lefatshe (PTY) LTD is an incorporated company, formed from the partnership of Newthings Investment and Lefatshe Engineering.

Newthings Investment & Lefatshe Engineering are 2 separate companies that have been operating individually for the past 16 years, The newly formed company is a separate entity, registered formally with the CIPC.

Both Newthings investment & Lefatshe Engineering have accumulated experience from their exposure to various Construction Sectors. In this partnership, the two entities have combined their Professional skills and Expertise to ensure successful implementation of Projects awarded.

Our Mission

Providing our clients with the highest level of quality services at fair and market competitive prices, ensuring that we meet their objectives and needs.

Ensuring the longevity of our company through repeat and referral business achieved by customer satisfaction in all areas including timeless, attention to detail and service minded attitude

Our Vision

To build our reputation on giving our Clients Quality services and Fair pricing, enabling us to expand our client base, ensuring continuous business relations.

Our Values

- **Safety**

Safety will always come first as we strive for accident-free projects.

- **Professionalism**

We are professionals committed to saving our clients' money through cost-effective solutions and value-added services while making a fair profit.

- **Integrity (Honesty, Trust & Respect)**

We are committed to the highest ethical standards. It's what our Customers expect from us and what our Associates expect from their leadership and each other. This is earned through our performance and by our example. The very heart of our business is the faith our clients have in Newthings Lefatshe. We as a Company, and you and I as individuals, must never do anything to compromise that trust.

- **Attitude**

A can-do attitude and willingness to go the extra mile for our customers and fellow associates are essential to our company's success. Our associates are part of the decision-making process. Team involvement is necessary for improvement.

- **Team Work**

We don't work for one person... we work together as a team. We offer an environment for participation and creativity for all of our Associates and tailor our services to personalize communications with our Customers.

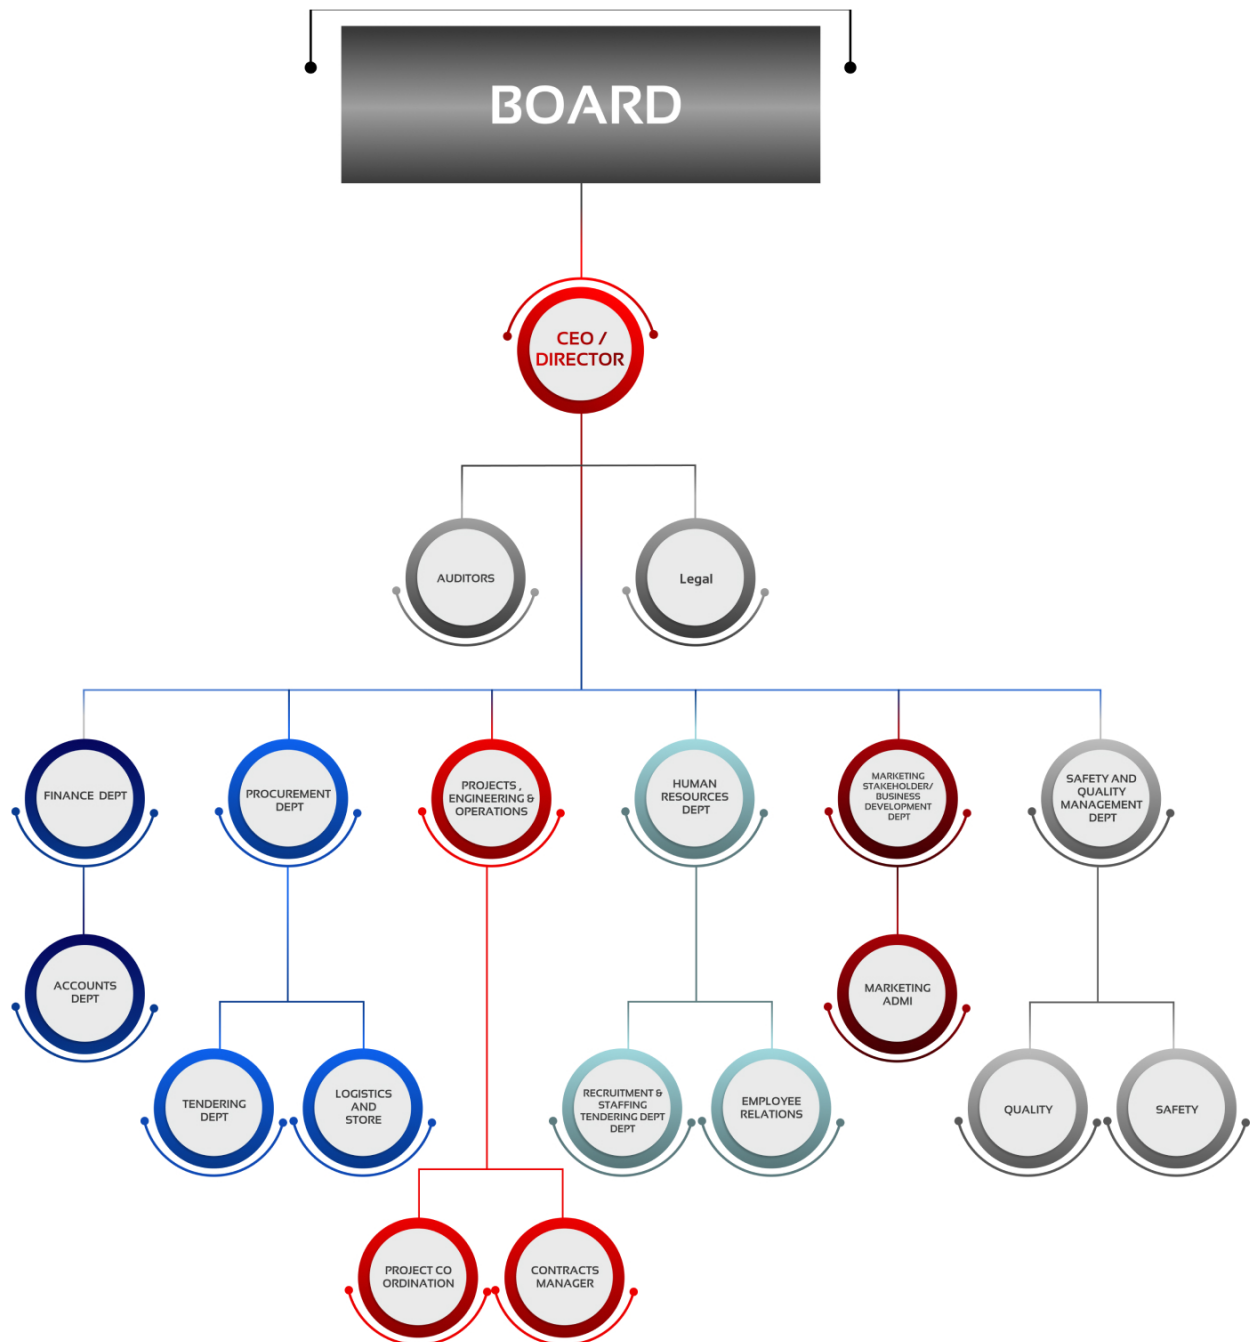

- **Quality , Accountability & Customer Satisfaction**

Our goal is simply to be the best and to continually improve. This is accomplished through focused teamwork, pride in our work, quality controlled systems – and by hiring and educating the best people we can possibly find.

We are accountable to our Customers, Company, Teammates, Subcontractors and Suppliers – and Accountability ultimately to God.

The end result of our efforts must be a satisfied Customer. Our reputation is the key to Newthings Lefatshe's longevity in the industry and will remain the key to future successes.
